The Presiding Officer laid before the Senate on its second reading and passage to engrossment:

S. B. No. 199, A bill to be entitled "An Act amending Article 11.19 of the Insurance Code of the State of Texas, same being Acts of 1951, 52nd Legislature, Regular Session, Chapter 491, Page 868, as amended, codified as the Insurance Code, Vernon's Texas Civil Statutes, so as to add reference to Articles 11.20 and 11.21 of such Code; to amend such Code so as to add Article 11.20 thereto so as therein to enable mergers and consolidations of mutual life insurance companies, etc., and declaring an emergency."

The bill was read second time.

Senator Connally offered the following Committee Amendment to the bill:

Amend Senate Bill 199 by striking out all below the enacting clause and substituting in lieu thereof the following:

Section 1. Article 11.19, Insurance Code of the State of Texas, same being Acts of 1951, 52nd Legislature, Regular Session, Chapter 491, Page 868, as amended, codified as the Insurance Code, Vernon's Texas Civil Statutes, is amended to read as follows:

"Art. 11.19. Other Laws to Govern

The provisions of Chapter 3 of this Code, when not in conflict with the Articles of this Chapter, shall apply to and govern mutual Life Insurance Companies organized under the provisions of this Chapter, provided, however, that when any mutual life insurance company organized under the provisions of this chapter has a surplus equal to or greater than the minimum of capital and surplus required of capital stock companies under the provisions of Article 3.02 of Chapter 3, Insurance Code of the State of Texas, Revised Civil Statutes of Texas of 1925, the following provisions of Chapter 11 only shall apply to such mutual companies: 11.01, 11.02, 11.03, 11.04, 11.05, 11.06, 11.07,

11.10, 11.11, 11.12, 11.14, 11.16, 11.17, 11.18, 11.19, 11.20, and 11.21. On all other matters the provisions of said Chapter 3 shall apply to and govern such mutual life insurance companies."

Section 2. Chapter Eleven (11), Insurance Code of the State of Texas, same being Acts of 1951, 52nd Legislature, Regular Session, Chapter 491, Page 868, as amended, codified as the Insurance Code, Vernon's Texas Civil Statutes, is amended by adding thereto a new Article, designated as Article 11.20, to read as follows:

"Art. 11.20. Mergers and Consolidations

"Sec. 1. Any two or more mutual life insurance companies may merge into one of such companies, domestic or foreign, or consolidate into a new mutual life insurance company, domestic or foreign, by compliance with the procedures provided in this Article.

"Sec. 2. When it shall be determined by a majority vote of the Board of Directors, respectively, of two or more mutual life insurance companies, to either merge or consolidate, said Boards of Directors shall prepare a plan of merger or consolidation, as the case may be, and file such plan with the Commissioner of Insurance for approval. Such plan may contain provisions for future apportionment of then existing or prospective accumulations, or both, of divisible surplus, or any other equitable arrangement, whereby the equitable interests, if any, of affected policyholders may be adjusted.

"Sec. 3. As soon as practicable after such filing, the Commissioner of Insurance shall hold a hearing on the question of whether he should approve such plan. As soon as practicable after such hearing, said Commissioner shall approve such plan unless he finds that such plan:

"(1) is contrary to law, or

"(2) effectuation of such plan would not be in the best interest of the policyholders of any one or more domestic mutual life insurance company which is a party to such plan, or

"(3) effectuation of such plan would substantially reduce the security of or service to be rendered to policyholders, whether residents of this state or elsewhere, of any

domestic mutual insurance company which is a party to such plan.

In making such decision, the Commissioner of Insurance may consider all facts, elements, matters and financial conditions relating thereto, including but not limited to past, present and prospective operations and accumulations of said companies desiring to merge or consolidate.

If the Commissioner of Insurance disapproves such plan, he shall within a reasonable time after such hearing specify in detail his reasons therefor and so notify all of the parties to such plan. If the Commissioner of Insurance approves such plan, he shall so notify all of the parties thereto, whereupon each board of directors of each domestic company party thereto shall proceed to submit such plan for adoption or rejection to its respective policyholders as hereinafter provided.

"Sec. 4. As soon as practicable after receipt of notice of approval of a plan of merger or consolidation to which a company is a party, each domestic party thereto shall cause such plan to be submitted to a vote of its policyholders at a meeting thereof, which meeting may be either an annual or a special meeting. Written or printed notice shall be given to each policyholder, addressed to his last known address, in accordance with the applicable by-laws, but not less than fifteen (15) days before such meeting. And each such notice shall specifically state that at least one of the purposes of such meeting is to vote upon such plan, a copy of which shall accompany such notice. At each such meeting of policyholders of a domestic party to such plan, each policyholder shall: (i) be entitled to a number of votes determined as provided in Article 11.04 of this Chapter of this Code, and (ii) may vote in person, by proxy to whomever the policyholder may designate in writing, or by mailed ballot. The plan of merger or consolidation shall be considered approved by the policyholders of such company upon receiving the affirmative vote of at least two-thirds (2/3) of the votes cast at such meeting on such question.

"Sec. 5. (a) Upon the required approval of such plan by the policyholders of each domestic company which is a party to such plan and, if one or more foreign companies is a

party thereto, upon the approval thereof in compliance with such foreign law or laws as may be applicable thereto, the president or a vice-president and the secretary or an assistant secretary of each company which is a party to such plan shall execute and file with the Commissioner of Insurance an affidavit that such plan has been approved as herein required.

"(b) If the Commissioner of Insurance finds that such affidavit conforms to law, he shall endorse thereon the words 'Filed,' and the date of filing thereof; and

"(1) if the plan be a plan of merger, the Commissioner shall then execute and deliver a Certificate of Merger to the surviving company or its representative; or

"(2) if the plan be a plan of consolidation, the Commissioner shall execute and deliver a Certificate of Consolidation to the new company when such new company shall be issued a charter and license upon submission of proper articles of incorporation to the Commissioner of Insurance, and upon his approval together with approval of the Attorney General in accordance with the procedure now required for the issuance of a new charter, and proof that the new company has surplus of not less than the surplus of the mutual life insurance company involved in such consolidation having the largest surplus.

"Sec. 6. Upon the issuance by the Commissioner of a Certificate of Merger or Consolidation, as the case may be, the merger or consolidation referred to in such certificate shall thereupon be deemed effective unless some subsequent date be specifically stated as the effective date thereof in the plan therefor.

"Sec. 7. As of the time that such merger or consolidation is deemed effective:

"(1) All policies of insurance outstanding against any company so merged or consolidated shall be deemed to be assumed by the new or surviving mutual life insurance company on the same terms and under the same conditions as if such policies had continued in force against the original issuer thereof and the new or surviving company shall carry out the terms of such policies and be entitled to all the rights and privileges thereof and the reserves and

surplus accumulating on such policy prior to such merger or consolidation.

"(2) All the rights, franchises and interests of the companies so merged or consolidated, in and to every species of property, real, personal and mixed, and the things in action thereunto belonging, shall be deemed as transferred to and vested in the surviving or new mutual life insurance company, without any other deed or transfer; and simultaneously therewith the surviving or new mutual life insurance company shall be deemed to have assumed all of the liabilities of the merged or consolidated companies;

"(3) All investments of each mutual life insurance company which was a party to such merger or consolidation that were authorized when made by the laws of the state in which such mutual life insurance company was organized, as proper securities or assets, including real property, for investment of funds of any mutual life insurance company and which investments are taken over by the surviving or new company by virtue of such merger or consolidation under the provisions of this Act, shall be, under the laws of this state, considered as valid securities or assets, including real property, of such new or surviving company, provided such investments are approved by the Commissioner of Insurance in this state, and the same are taken over on terms satisfactory to said Commissioner; provided, however, that in the event the new or surviving company acquires by virtue of such merger or consolidation real estate or property beyond or in excess of that permitted by the applicable Articles pertaining to owning or holding real estate, such company shall sell or dispose of all such excess real estate within the time specified in such applicable Articles unless it shall procure a certificate from said Commissioner that the interest of such company will materially suffer from the forced sale or disposition thereof, in which event the time for the sale or disposition thereof may be extended to such time as the Commissioner of Insurance shall direct in such certificate. Provided, further, that this Section will not preclude the designation and use of such acquired excess real estate as branch offices in accordance with the applicable provisions of this Code.

"(4) The divisible surplus of each company which is a party to such merger or consolidation which was available for apportionment to policyholders in accordance with the provisions of Article 11.12 of this Chapter of this Code immediately prior to the effectiveness of such merger or consolidation shall continue to be available to the policyholders of the surviving or new company in accordance with the provisions of such Article.

"Sec. 8. Nothing herein shall be construed as affecting, modifying, amending or repealing in any manner the Anti-Trust Statutes of this State."

Section 3. Chapter Eleven (11), Insurance Code of the State of Texas, same being Acts of 1951, 52nd Legislature, Regular Session, Chapter 491, Page 868, as amended, codified as the Insurance Code, Vernon's Texas Civil Statutes, is amended by adding thereto a new Article, designated as Article 11.21, to read as follows:

"Art. 11.21. Total Direct Reinsurance Agreements.

"Sec. 1. Total direct reinsurance agreements may be made and entered into between any domestic mutual life insurance company and any other life insurance company, domestic or foreign, provided: (a) the assuming company is authorized to transact the kinds of insurance provided by the policies assumed; and (b) no total direct reinsurance agreement shall be made until the contract therefor has been submitted to and approved by the Commissioner of Insurance as protecting fully the interests of the policyholders of any domestic insurer.

"Sec. 2. Total direct reinsurance agreements, whereby all policies of any ceding domestic mutual life insurance company, are totally assumed by another company, must first be so approved by the Commissioner of Insurance and thereafter by such affected policyholders of the domestic company in like mode and manner as is required under the provisions of Art. 11.20 of this Chapter of this Code for policyholder approval of a merger or consolidation agreement. Upon consummation of any such total direct reinsurance agreement, the assuming company shall be entitled to all the rights, privileges and benefits accorded under Sec. 7, of Art. 11.20 of this Chapter of this Code, the same as though such business had been assumed by merger or consolidation."

Section 4. If any Section, paragraph or provision of this Act be declared unconstitutional or invalid for any reason, such holding shall not in any manner affect the remaining Sections, paragraphs or provisions of this Act, but the same shall remain in full force and effect.

Section 5. All laws or parts of laws in conflict with the provisions of this Act are hereby repealed to the extent of such conflict only.

Section 6. The need to provide authorization and procedures for the merger and consolidation of mutual life insurance companies, to establish procedures for the total direct reinsurance of mutual life insurance companies, the importance of this legislation and the crowded condition of the calendar in both Houses create an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House, and the Constitutional Rule that bills shall not be effective until ninety (90) days after the adjournment of the Legislature, be suspended, and said Rules are hereby suspended, and this Act shall be in full force and effect from and after its passage, and it is so enacted.

Amend S. B. No. 397 by striking all above and all below the Enacting Clause and inserting in lieu thereof the following:

A BILL

To be entitled

An Act amending Sections 6 and 7 of Article 6228b of the Revised Civil Statutes of Texas of 1925 to provide that retired judges shall not be judicial officers of the State unless they elect to continue as such, providing for their assignment and pay while serving, and declaring an emergency.

Section 1. Sections 6 and 7 of Article 6228b of the Revised Civil Statutes of Texas are hereby amended, so that the same shall hereafter read as follows:

"Section 6. In the event a judge dies, resigns his office or otherwise ceases to be a judge prior to the time he has the requisite length of service for retirement benefits under the pro-

visions of this Act, the amount of his accumulated contributions shall be paid to his estate or to him, as the case may be. In the event a judge who has the requisite length of service for retirement dies before retiring, his accumulated contributions shall be paid to his estate. Provided, however, if any person subject to the foregoing provision later becomes a judge of a court of this State he must pay back to the State the amount of the contributions which he received before being entitled to retirement benefits under the provisions of this Act. The fact that a judge resigns his office prior to applying for retirement benefits shall not prejudice the right of such judge to such benefits if he is otherwise eligible. Any judge who is removed from office by impeachment, or is otherwise removed for official misconduct, shall be ineligible to draw retirement pay under the provisions of this Act.

"Section 7. During the time judges who have retired under the provisions of the Act are receiving retirement pay they shall not be allowed to appear and plead as attorneys at law in any court in this state. Any person who has retired under the provisions of this Judicial Retirement Act may elect in writing addressed to the Chief Justice of the Supreme Court within ninety (90) days after such retirement or within ninety (90) days after the effective date of this amended section, whichever is the later date, to continue as a judicial officer, in which instance they shall, with their own consent to each assignment, be subject to assignment by the Chief Justice of the Supreme Court to sit in any Court of this State of the same dignity, or lesser, as that from which they retired, and if in a District Court, under the same rules as provided by the present Administrative Judicial Act, and while so assigned, shall have all the powers of judges thereof. While assigned to said Court, such judges shall be paid an amount equal to the salary of judges of said Court, in lieu of retirement allowance. No person who has heretofore retired under the provisions of this Judicial Retirement Act shall be considered to have been a judicial officer of this State after such retirement, unless such person has accepted an assignment by the Chief Justice to sit in a Court of this State."

Section 2. The necessity of clarify-

ing the status of retired judges, and the importance of this legislation and the crowded condition of the docket create an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each House be suspended, and said Rule is hereby suspended, and that this Act take effect and be in force from and after its passage and it is so enacted.

Senate Bill 263 on Second Reading

The Presiding Officer laid before the Senate on its second reading and passage to engrossment:

S. B. No. 263, A bill to be entitled "An Act to be cited as the "Regional Sewage Disposal Act" authorizing public agencies created under Article XVI, section 59 of the Constitution to purchase, construct, improve, repair, operate and maintain sewage disposal systems and to condemn property therefor; etc.; and declaring an emergency."

The bill was read second time.

Senator Watson offered the following amendment to the bill:

Amend S. B. No. 263 by striking all below the enacting clause and substituting the following:

Section 1. This Act is for the purpose of authorizing a cooperative effort by public agencies for the safe and economical collection, transportation, treatment and disposal of wastes in order to prevent and control the pollution of the waters in this State. This Act may be cited as the "Regional Waste Disposal Act."

Section 2. Words and phrases, as used in this Act, shall have the following meanings:

(a) "Person" means any individual, any public agency, public or private corporation, political subdivision, governmental agency, municipality, co-partnership, association, firm, trust, estate or any other entity whatsoever.

(b) "District" means any water district or authority or river authority created under Article XVI, Section 59, or Article III, Section 52, of the Constitution of Texas.

(c) "Public agency" means a district, an incorporated city or town, or any other political subdivision or agency of the State which has the

power to acquire and operate waste collection, transportation, treatment or disposal facilities or systems.

(d) "Waste" means sewage, industrial waste, municipal waste, recreational waste and agricultural waste, and any other waste that may cause impairment of the quality of the waters in the state.

(e) "Sewer system" or "sewerage system" means pipelines or conduits, canals, pumping stations, and force mains, and all other constructions, devices, and appliances appurtenant thereto, used for conducting waste to a point of ultimate disposal.

(f) "Treatment facilities" means any plant, disposal field, lagoon, pumping station, constructed drainage ditch or surface water intercepting ditch, incinerator, area devoted to sanitary land fills, or other works not specifically mentioned herein, installed for the purpose of treating, neutralizing, stabilizing or disposing of waste.

(g) "Disposal system" means a system for disposing of waste, and including sewer systems and treatment facilities.

Section 3. A district is authorized to purchase, construct, improve, repair, operate and maintain one or more disposal systems, and it may make contracts with any person, as defined herein, under which the district will collect, transport, treat and dispose of wastes for such person. A district may also purchase or make contracts with any person for the use of any waste collection, transportation, treatment or disposal facilities or systems owned by such person.

Section 4. The district shall have the power and right of eminent domain for the purpose of acquiring any and all property of any kind, real, personal or mixed, or any interest therein, within or without the boundaries of such district, necessary for the purposes authorized by this Act. Such power of eminent domain shall be exercised in the manner provided in the laws applicable or available to the district.

Section 5. Public agencies are hereby authorized to make contracts with a district under which the district will make a disposal system available to such public agencies and furnish waste collection, transportation, treatment and disposal services by the district's disposal system. The con-

tract may be upon such terms and for such period of time as the parties may agree, and may provide that it will remain in effect until any bonds issued or to be issued by the district and any bonds which may be issued to refund the same are paid. The contract may contain provisions to assure equitable treatment of parties who contract with the district for waste collection, transportation, treatment and disposal services from the same disposal system, provisions requiring the public agency to regulate the quality or strength of the waste to be handled by the disposal system, and such other provisions and requirements as the district and the governing body of the public agency may find reasonably necessary. The contract shall specify the method of determining the amounts to be paid by the public agency to the district. The contract may also provide for sale to or use of by the district of any disposal system, or any part thereof, at the time owned by the public agency. The public agency shall have the right to the continued performance of such services after the amortization of the district's investment in the disposal system during the useful life thereof, upon payments of reasonable charges therefor reduced to take into consideration such amortization.

Section 6. Payments by a public agency to the district for waste collection, transportation, treatment and disposal services may be made from the income of the public agency's waterworks system or its sanitary sewer system or of both systems or of its combined water and sanitary sewer system, as may be prescribed in the contract between the district and the public agency. Such payments shall constitute an operating expense of the system or systems whose revenues are thus to be applied. Payments to be made under the contract by the public agency from the income of the water system shall be subordinate to amounts required to be paid from the net revenues of its water system for principal of and interest on bonds of the public agency which are outstanding at the time of the making of the contract and which are payable solely from such water system net revenues unless the ordinance or resolution authorizing such outstanding bonds of the public agency expressly reserves the right

to accord such contract payments a priority over such public agency's bond requirements. Unless the alternative procedure prescribed in Section 7 is followed, neither the district nor the holder of any bonds of the district shall have the right to demand payment of the public agency's obligation out of any funds raised or to be raised by taxation.

Section 7. (a) If an election is held by a public agency having taxing powers and carried, substantially according to applicable procedure prescribed in Chapter 1, Title 22, Revised Civil Statutes of Texas, as amended, in reference to the issuance of bonds by cities, determining that the governing body of the public agency is authorized to levy an ad valorem tax to pay all or a portion of the payments to be made by the public agency under a contract between the public agency and a district to be authorized by the governing body of the public agency, the contract, in such event, will constitute an obligation against the taxing power of the public agency to the extent therein provided. No election is required for the exercise of any power conferred by this Act except for the levy of such tax.

(b) Only qualified electors of the public agency who own taxable property therein and who have duly rendered the same for taxation shall be entitled to vote at such election. Except as otherwise provided in this Section and in said Chapter 1, Title 22, the general election code shall govern such election.

Section 8. Whenever the public agency shall have executed a contract with a district under this Act and the payments thereunder are to be made either wholly or partly from the revenues of the public agency's waterworks system or sanitary sewer system or from both systems or a combination of both systems, the duty is hereby imposed on the public agency to establish and maintain and from time to time to adjust the rates charged by the public agency for the services of such system or systems, to the end that the revenues therefrom together with any taxes levied in support thereof, will be sufficient at all times to pay: the expense of operating and maintaining such system; and all of the public agency's obligations to the district under the contract; and all of the public agency's obligations under and in connection

with revenue bonds theretofore issued, or which may be issued thereafter secured by revenues of such system or systems. The contract may require the use of consulting engineers and financial experts to advise the public agency whether and when such rates are to be adjusted.

Section 9. Any contract or group of contracts under this Act may provide for services to be rendered concurrently by the district to more than one public agency through the construction and operation of a disposal system and provide that the cost for such services shall be allocated among the several public agencies as determined in the contract or group of contracts.

Section 10. For the purpose of acquiring, constructing, improving, enlarging and repairing a disposal system or disposal systems, the district is authorized to issue bonds payable from and secured by a pledge of revenues under any contract or contracts it enters into under this Act and from any other income pledged by the district. Said bonds shall constitute negotiable instruments. The bonds shall be in such form and denomination and shall bear such rate or rates of interest as are prescribed by the governing body of the district. A district is likewise authorized to refund any bonds issued under the Act upon such terms and conditions and bearing such rate or rates of interest as the governing body may prescribe.

Section 11. While any such bonds are outstanding, it shall be the duty of the governing body of the district to fix, maintain and collect rates and charges, for services furnished or made available by the disposal system, adequate to pay maintenance and operation costs of and expenses allocable to the disposal system, payment of principal of and interest on such bonds, and to provide and maintain the funds created by the resolution authorizing the bonds. Interest to accrue on the bonds and administrative expenses to estimated date when the disposal system will become revenue producing and reserve funds created by the resolution authorizing the bonds may be set aside out of bond proceeds.

Section 12. After any bonds are authorized to be issued by a district pursuant to the power provided in this Act, such bonds and the record relating to their issuance may be

submitted to the Attorney General for his examination as to the validity thereof. Where such bonds recite that they are secured by pledge of the proceeds of a contract or contracts between the district and a public agency, a copy of such contract and the proceedings of the public agency authorizing same may also be submitted to the Attorney General. If the Attorney General finds that such bonds have been authorized and the contracts have been made in accordance with the Constitution and laws of the State of Texas, he shall approve the bonds and such contracts, and the bonds shall be registered by the Comptroller of Public Accounts. Thereafter the bonds and contracts, if any, shall be valid and binding and shall be incontestable for any cause. In lieu of, or in addition to, such approval by the Attorney General, the board of directors of the district may have any such bonds validated by suit in the District Court in the manner and with the effect provided in Chapter 316, Acts of the 56th Legislature. The interest rate and sale price of the bonds need not be fixed until after the termination of the validation proceedings or suit. If the proposed bonds recite that they are secured by the proceeds of a contract or contracts made by the district and one or more public agencies, the petition shall so allege and the notice of the suit shall mention such allegation and each public agency's fund or revenues from which such contract or contracts are payable. Such suit shall be in the nature of a proceeding in rem. The judgment shall be res adjudicata as to the validity of such bonds and any such contract or contracts and the pledge of revenues thereof.

Section 13. Proceeds from the sale of bonds may be invested, pending their use, in such securities or time deposits as are specified in the resolution authorizing the issuance of the bonds or the trust indenture securing them, and the earnings on such investments applied as provided in such resolution, or trust indenture.

Section 14. All bonds issued under this Act shall be and are hereby declared to be legal and authorized investments for banks, savings banks, trust companies, building and loan associations, savings and loan associations, insurance companies, fi-

duciaries, trustees, and for the sinking fund of cities, towns, villages, school districts, or any other political corporation or subdivision of the State of Texas. Such bonds shall be eligible to secure the deposits of any and all public funds of the State of Texas, and of any political subdivisions of the State of Texas; and such bonds shall be lawful and sufficient security for said deposits to the extent of their value when accompanied by all unmatured coupons appurtenant thereto.

Section 15. In the event that any district, in the exercise of the powers granted hereunder, whether it be the power of eminent domain, the power of relocation, or any other power, makes necessary the relocation, raising, rerouting, or changing the grade of or altering the construction of any highway, railroad, electric transmission line, telephone or telegraph properties and facilities, or pipeline, all such necessary relocation, raising, rerouting, changing of grade or alteration of construction shall be accomplished at the sole expense of such district. The term "sole expense" shall mean the actual cost of such relocation, raising, rerouting or change in grade or alteration of construction and providing comparable replacement without enhancement of such facilities after deducting therefrom the net salvage value derived from such facilities.

Section 16. This Act is cumulative of other statutes now or hereafter enacted governing the Texas Water Pollution Control Board or its successors, the Texas State Department of Health, and the Texas Water Rights Commission relating to the issuance of bonds; the collection, transportation, treatment or disposal of wastes; and the design, construction, acquisition or approval of facilities for such purposes.

Section 17. The powers granted under this Act shall be in addition to and not in derogation of any and all existing powers of any district or any public agency. Chapter 263, Acts of the 59th Legislature (codified as Article 8197g, Vernon's Texas Civil Statutes), is hereby repealed; otherwise this Act shall not be deemed to repeal, expressly or by implication, any power or right granted to any district or to any public agency, and any district or public agency having powers under existing law similar to or in the nature of those granted

hereunder may continue to operate and act in the exercise of such powers or may operate and act under the powers granted herein, or both.

Section 18. If any section, sentence, clause or phrase of this Act is for any reason held to be unconstitutional, such invalid portion shall not affect the validity of the remaining portions of this Act. The Legislature hereby declares that it would have passed the valid portions of this Act irrespective of the fact that any one or more portions be declared unconstitutional.

Section 19. The fact that this Act is designed to provide an efficient method of establishing and financing much needed waste collection, transportation, treatment and disposal facilities and systems so as to prevent and control the pollution of the waters in this State creates an emergency and an imperative public necessity requiring that the Rule requiring bills to be read on three separate days in each House be suspended, the same is hereby suspended, and this Act shall be in force and take effect from and after its passage, and it is so enacted.

The amendment was read and was adopted.

Senator Watson offered the following amendment to the bill:

Amend S. B. No. 263 by striking all above the enacting clause and substituting the following:

(compiled as Article 1269h-2, Vernon's Texas Civil Statutes) by making said law applicable to any home rule city having a population of 125,000 or more according to the last preceding federal census, which owns land for airport purposes and which is operating the same for such purposes or which is leased to an airport operating company or corporation; and declaring an emergency."

Section 1. This Act shall be applicable to any home rule city having a population of 125,000 or more according to the last preceding federal census, which owns or has leased or has otherwise acquired control of land for airport purposes, and which is operating such land for such purposes.

Sec. 2. In the event any such city shall determine to issue revenue bonds under and for any of the purposes and secured by any of the revenues authorized by Chapter 43, Acts of the 53rd Legislature of Texas, First Called Session, 1954, as amended (compiled as Article 1269j-5, Vernon's Texas Civil Statutes), such city, in addition to the revenues and income of said airport or airports pledged to the payment of operation and maintenance expenses and principal of and interest on such bonds, shall be authorized to levy and pledge to the

payment of such operation and maintenance expenses, as a supplement to the pledge of revenues for such purpose, all or any part of the ad valorem tax authorized by Section 8 of Chapter 114, Acts 1947, 50th Legislature, Regular Session (compiled as Article 46d-8, Vernon's Texas Civil Statutes). The proceeds of any tax thus pledged shall be utilized annually to the extent required by the ordinance authorizing such revenue bonds to assure the efficient operation and maintenance of such airport or airports, and such city, in its discretion, may covenant in the proceedings authorizing the issuance of said bonds that certain costs of operating and maintaining such airport or airports, as may be enumerated in said proceedings, will be paid by the city from the proceeds of such tax. If it is deemed advisable by the city that revenue bonds theretofore issued under said Chapter 43, supra, and then outstanding, should be refunded so as to facilitate the financing of the acquisition of any improvements to and the further improvement of its airport or airports, it shall be authorized to make a like pledge of said tax in the proceedings authorizing such refunding bonds and any additional revenue bonds issued for the purposes prescribed in said Chapter 43, supra.

Sec. 3. This Act shall be cumulative of and in addition to all laws of this state on this subject; provided, that in the event of any conflict with the provisions hereof, this Act shall prevail.

Sec. 4. The fact that heavily populated home rule cities served by scheduled airlines are and will be in urgent need of the powers granted in this Act in order to supplement the financing of needed airport improvements creates an emergency and an imperative public necessity that the Constitutional Rule requiring bills to be read on three several days in each house be suspended, and this Rule is hereby suspended, and that this Act take effect and be in force from and after its passage, and it is so enacted.

Communication from Governor of Nebraska

The President laid before the Senate and directed the Secretary to read the following communication from the Governor of Nebraska:

March 27, 1967

The Senate of the State of Texas
Austin, Texas 78701

Gentlemen:

Your State Senator Dorsey B. Hardeman was kind enough to forward to me your Senate Resolution No. 271, recognizing and congratulating the Nebraska Centennial.

This is a most meaningful resolution in that on page two of the resolution, it refers to our Great State of Nebraska, as a part of the Kansas-

Nebraska bill, . . . "leading to the formation of the Republican Party, splitting the Democratic Party, and, influencing events leading to the War between the States . . .".

To have a resolution passed unanimously in the Texas Senate to a State that did all those things, especially the splitting of the Democratic Party, certainly evidences strong bonds between Texas and Nebraska!

In a serious vein, we Nebraskans feel very closely to Texans—our football fans are still talking about the Texas hospitality they received at the Cotton Bowl.

We sincerely and genuinely thank each and every one of you and hope that our fine Texas friends will have the opportunity to visit Nebraska in our 1967 Centennial Year.

Centennially yours,
NORBERT T. TIEMANN,
 Governor
 State of Nebraska

The communication was read.

On motion of Senator Hardeman and by unanimous consent the communication was ordered printed in the Senate Journal.
